**Most Branch Libraries to be Closed on Sundays**  
*Changes Effective July 6, 2008*

SAN JOSE, Calif. —Effective Sunday, July 6, Sunday hours will be limited to the following two locations:

Dr. Martin Luther King, Jr. Library, 150 E. San Fernando St.

Tully Community Branch Library, 880 Tully Rd.

All other San José Public Library branches will be closed on Sundays as per the 2008/09 budget adopted by San José City Council on June 17. The reduction in hours stem from the City's current budget constraints.

Tully Community Branch Library retains Sunday hours for two years in order to accommodate increased usage by residents of the Seven Trees area, while the new Seven Trees Community Center and Branch Library is under construction. Tully Community Sunday hours will be 1 – 5 p.m.

Sunday hours at the Dr. Martin Luther King, Jr. Library will continue on the current summer schedule of 1 – 5 p.m. through most of August. On August 25, the expanded academic year schedule goes into effect, including Sunday hours of 1 – 7 p.m.
